A WORD IN BEHALF OF THE SOLDIER.

Everything intended as protection for the soldier from sickness is of great interest to these who stay at home, as it is of importance to the volunteer in active campaign. Our duty is not done when we send our some and brothers, fathers and husbands, forth to: fight our battles. We must continue to fol-22 We congretuate our readers upon the low them, not only with our prayers, but a strange thing in this hitherto united and gnorant of its arts. We have plenty of brave men to lead our troops to victory, but there is an art which exceeds the mental can be be cured by persevering in the use of br
waster's remedies. The Syrup will purify the blood

Prostration of the System and repid discuss. In a campaign in the most healthy Hipe are almost fave vishir the results of early countries, three soldiers die from sickness where one is killed by the enemy.

where one is killed by the enemy.

By far the most serious cause of sickness is exposure to heat of the sun and to rain and dews. On a merch it very often happens that large bodies of troops get far in advance of their camp equipage, and for the lack of it are exposed to dramching rains and dews. In the French army fill foot soldiers are provided with the "tented arrbr," or shelter tent: It is a very simple contri-verse to cold for bathing purposes, it was very simple contri-verse to be made of common oction drilling, and though the stubborn fact presented itself that the waters of the lake and river were too cold for bathing purposes, it was very large and strange to be made to rain and dews. In the French army fill foot soldiers are provided with the "tented arrbr," or shelter tent: It is a very simple contri-verse to be made of common oction drilling, and though the stubborn fact presented itself that the waters of the lake and river were too cold for bathing purposes, it was very large to be made to rain and dews. In the French army fill foot soldiers are provided with the "tented arrbr," or shelter tent: It is a very simple contri-verse agent in this city, and his many friends will be pleased to learn of his recent appointment. It is probable that he will be ordered as a certain cure in case accompanies which leaves Bos dones. G. H. KIDNEY.

ANTI RHEUMATIC BAND, ANTI RHEUMATIC BAND,

Is the only known Bennely for

RHEUMATISM, "GUT AND NEURALGIA,

And a sure ture for

ALL MERCURIAL DISEASES.

It is at "veniently arranged Band, containing a
medicate, compenied, to be worn around the Waist,
without injury to the most delicate persons, no
change I sactso" ring is required, and it satirely smoot and disease from the system, without prodecing the figurious effects arising from the use of
powerful internal medicines which weaken and destroy the constitution, and give temporary rolled
only. By this trestment, the medicinal properties
contained in the Band, come in contact with the
blood and rearbes the disease, through the pores of
the skin, effecting in avera instance a perfect cure,
and restore the parts afflicted to a healthy condition.

This Band is also a most powerful Apit Mercurial
accust, and will entirely raises the system from the
pressictore effects of Mercury. Moderabe cases are
curred in a few days, and we are constantly receiving
testimostics of the efficact in aggravated cases of
long standing.

Price 25, to be had of Ornegists generally, or case

estimowials of its efficacy in aggravated cases of one standing.

Price 3c, to be had of Ornzgists generally, or can be sent by mail or exp 7s, with full directions for nee, to any part of the country, direct from the Principal Office,

Bourding.

Blood.

This composped will be bound a great promoter of bealth, when taken in the spring, to expel the besignments, when taken in the spring, to expel the besignments which faster in the blood at that season of the year. By the timely expulsion of them many ranking disorders are supped in the boul. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul scuptions and nicerous cores, through which the visitor will write to ric stand of our npolious, if not assisted to do this through the natural channels of the body by an alternative medicine. Glesman out the visited disease the sale in gituples, impurities burting through whenever you find its impurities bursting the backin in plingles, exaptions, or some; clean when you had a shadernessed and singless i when you had some the body of the property of the prope parations, pear-paing to be concensively assaurities, and in, contain but little of the virtue of Sarasaurities, any thing else.

During late years the public have been missed large bottles, prefacilities to give a quark of sizes of Sarasauritie for one dular. Host of these in boom frauds upon the size, for they motivated consistent properties whatever. Hence, blive not paisful appointment has followed the use of the various appointment has followed the use of the various reacts of formaparities which for the market, as the name itself is justly despiced, and has been synonymous with impossion and closes. Still call this compound marasparille, and intend to spir such a reinsely as shall rescue the misse formation of obloquy which rests upon it. And we they have ground for believing it has virtues we are irresistable by the ordinary run of the size it is intended to cure. In order to sective their e plate eradication from the system, the council she bejunctionally taken according to directions on bottles.
